

CELEBRATING YOUR IMPACT

Tough Enough To Wear Pink

in support of patients receiving cancer treatment

Grateful Hearts. Changing Lives.

The legacy of Chip Jackson continues to provide support for cancer patients across the communities served by OhioHealth.

The OhioHealth Foundation is grateful and honored to have been chosen as the beneficiary of funds from The Tough Enough to Wear Pink charity horse show for the past nine years.

Proceeds from Tough Enough To Wear Pink provides hope for OhioHealth cancer patients in every step of their cancer journey, from prevention and screening, to diagnosis and treatment through survivorship.

We are excited to share a few ways funds have been used to help patients through challenging times.

Grateful For You.

Exhaustive research has demonstrated that social determinants of health, such as transportation availability, food insecurity, essential shelter and prescription coverage, significantly affect patient outcomes.

With support from Tough Enough to Wear Pink, Patient Navigators can rapidly address urgent needs that cannot be met through other channels.

Impact of Giving.

More than 200 OhioHealth patients were provided transportation, meals and cleaning assistance in 2024. The impact for each patient is simply amazing, as shown below.

- 1,460 rides to and from appointments
- 13,871 healthy and delicious meals provided to patients and their families
- 156 house cleaning services provided

In addition to these services, additional patients received gifts cards to assist with food, gas, electric and other needs.
